Upcoming Events

WYC Ski Day – February 27

From The Commodore

“You’re the greatest!” You stepped forward to make 2009 a stellar year for attendance and project completion. Look around at the Club! You have much success for which to be proud!

Our by-words are “contribution and continuity”. 2010 looks to be an even better year! With your help this year will be the best ever!

The Race Committee, Pete Crosby and his volunteers, have the new and innovative Race Week planned for July 27th to the 30th. Set the dates aside for a unique week!

The House Committee, lead by Steve Coneys, Chuck Moretti, and Larry Routhier, have plans to continue improvements. Aply assisted by Steve Nix and his planning team, repairs to our

clubhouse will be developed, planned, and completed.

John Heckman and Tom Dunfee have an exciting social schedule planned. The period, May through October, is filled with exciting events. WYC Ski Day is scheduled for February 27th. Chris Shumway stepped forward to lead the event, along with Al Herte and Ken Sterner. Gunstock has been very helpful. A great event is planned! See you there!

Our newest committee is taking shape! Thank you to Chad Squires for volunteering to lead the WYC History Committee. His team consists of Bill Reinhardt, Phyllis Corrigan, and proposed members Robyn Pallis and Keith Wentworth.

As you can see, the year may be young, but many events are planned. The key is “contribution and continuity”! Jump in! We are a stronger Club for your support. Thank you. See you the 27th!

WYC Ski Day

The annual WYC Ski Day will be held at Gunstock on Saturday, February 27.

Gunstock has agreed to reserve parking for approximately 30 to 40 cars adjacent to the Barn in the Pistol Parking lot. Come early - the Pistol lift opens at 8:30. Lunch will be served at noon, immediately followed by a group picture. Lunch will include grilled hot dogs, hamburgers, and Italian sausage, as well as deep-fried turkey. We'll also have salads, chips, desert, coffee, and hot chocolate. Cost will be \$5 adults, \$3 children.

There is an opportunity for discount lift tickets, but we need to purchase a minimum of 20 tickets, ALL AT ONE TIME. The discounted ticket rate would be \$49 adults, \$39 kids. If there aren't 20 people who need to purchase tickets, then standard Gunstock ticket prices will apply.

Please bring your own chair(s) for hanging out.

This event is open to all - WYC Members and Proposed Members, skiers and non-skiers, and families and friends. The more, the merrier!!!

In order to plan for food, and to determine whether we have enough ticket needs for the discounted rate, PLEASE RSVP by Wednesday, February 24, to Chris Shumway at cshumway@rfsengineering.com or 528-1911.

The skiing conditions are great, and we will surely have perfect weather!

Special Thanks

I would like to thank all those who sent me birthday cards. I was surprised and delighted to get a stack of birthday cards from WYC members, which made for a much better birthday than I thought was possible here in Iraq. The club has been like family to me, and I want to let everyone know how much I appreciate it. Thank you.

Sincerely,
Bruce Gokey
