### FROM THE COMMODORE

***This year is the 75<sup>th</sup> anniversary of the Winnepesaukee Yacht Club. When the organization was incorporated on October 6, 1937 I wonder what the founding members thought about the future of the Club 75 years later. It is fitting that this year we will be completing the major renovation project that will put the building on a solid foundation, reestablish the deck and upgrade the electrical wiring.***

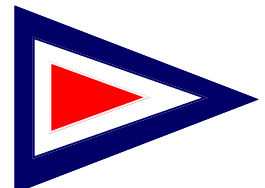

***In the spirit of the work ethic of the founders, Club members are doing much of the work. Many have come to the work parties. At times the challenge has been to limit the number of volunteers so that we don't get in each other's way. It is exciting to see so many involved. Just as the founding members gave to establish the***

***WYC, this project is our legacy to future generations.***

***While the lakes are freezing and the temperatures dip into single digits it is difficult to imagine boating on the water or sunning on the dock. But the launch date is only a little more than three months away and the Ice Breaker will be in four months. We have a great year to look forward to.***

***It is the time we spend together at social events, races and work parties that creates the bond between us that makes the WYC special. Thank you to everyone who helps out and contributes so much to our Club.***

***All the best,  
Rick***

## HARBOR MASTER

The Officers and Trustees have appointed Pete Crosby as the Harbor Master of 2012

Also recognized at the annual meeting was Lynn Angle who was presented a Pepi Herrman crystal bowl with thanks for serving 10 years as the WYC administrator

Chuck Coons presented the Crank Award to Yard Master Kevin Hayes for his inability to stop the car properly, resulting in a late season dip for the car crew.

## ENTERTAINMENT COMMITTEE

The 2012 Social calendar is in the works this winter. In anticipation of having an occupancy permit by mid to late May the Ice Breaker will be scheduled accordingly. The traditional events, Steak Dinner Dance, Chicken Bar B Que, Caribbean Nite, Corn Roast, Labor Day Dock Party and Lobster Feed will be back in full swing. The WYC 75<sup>TH</sup> Anniversary Dinner dance is scheduled for Saturday evening September 29<sup>th</sup>. We will plan on eliminating the Oktoberfest this year only, due to its proximity date-wise to the BIG PARTY on 9-29.

Tom and I need a "Clean-Up Chairman" again this year. This person will be responsible to coordinate cleanup during and after each major event with the chairman of that event. This position has high visibility and provides high reward and in addition, will be held in high regard by all members! All qualified applicants please contact either Tom or Me.

We look forward to seeing you all sipping a cold one (BYOB of course) at the club very soon!
